

# Husqvarna Husqvarna Soff-Cut 4000

The Husqvarna Soff-Cut 4000 self-propelled petrol saw is designed for heavy-duty commercial, industrial and paving applications. Features include a 20 hp twin-cylinder engine with overhead valves, heavy-duty air cleaner, electric start, full pressure lubrication, hydraulic valve lifters and a mechanical fuel pump. Three blade widths can be used, allowing different joint widths and crack control simultaneously.

## Technical Data

| SPECIFICATIONS                                   | Husqvarna Soff-Cut 4000 |
|--|-------------------------|
| Motor manufacturer                               | Kohler                  |
| Motor spec                                       | Kohler petrol           |
| Max output (As rated by the engine manufacturer) | 14.9 kW / 20 hp         |
| Diamond blade, max                               | 13.5 "                  |
| Max cutting depth                                | 3 inch                  |
| Blade shaft RPM                                  | 3500 rpm                |
| Arbor size                                       | 1 "                     |
| Weight   | 420 lbs                 |
| Weight incl. packaging                           | 518 lbs                 |
| Product size, LxWxH                              | 34x29x34 inch           |
